

Batavia Music Buffs is a non-profit organization dedicated to providing financial support and public awareness to music programs in the Batavia public schools from grades K-12. During this difficult economic climate, we fund over 90% of our children's expenses related to extra-curricular music activities.

You may know us through our hoagie sales, annual Night of Jazz event, RMS Coffee sale, senior recognition banquet, yard signs, or coupon book fundraisers. Our 226 members have recently provided funding for new marching band uniforms, choir robes, music equipment trailers, travel expenses, contest entrance fees, and scholarships.

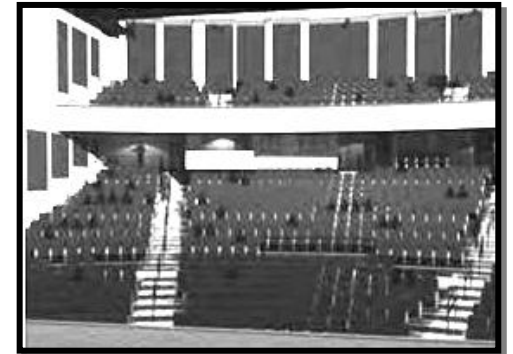

100% of the proceeds from the purchase of the courtyard brick and auditorium seat sponsorships will be spent specifically on music related needs of the new high school auditorium such as new instruments.

Your purchase will provide you with a lasting memory of great music provided by our talented students, while providing us with the opportunity to support current and future student musicians. Please join us in supporting music in Batavia schools.
